“A welcoming and affirming church”

November 2025

Dear beloved ones,

What a joy it is to be part of this remarkable community of faith called Williamsburg Baptist Church. Week after week, I’m reminded what a gift it is to belong here: to worship together, to support one another in difficult seasons of life, to serve our neighbors, and to witness in active ways to God’s abundant love.

As we move into stewardship season and look toward 2026, our stewardship theme invites each of us to reflect on **#OneThing**: What’s *one thing* you can do that will help you take a step toward deeper engagement, commitment, or growth in the life of our church? For example, will you consider giving financially or making a pledge for the first time? If you already give, would you consider increasing your pledge by 1% or more? Will you volunteer to work with our children and youth? Read scripture in worship? Invite a friend to join you on Sunday? Add WBC to your will? Whatever your “one thing” may be, each act of generosity and commitment helps our church sustain and grow our impact in the community and the world.

Paul writes to the church at Philippi, “*the one who started a good work in you will stay with you to complete the job by the day of Christ Jesus*” (Phil 1:6). God continues to do good work among us and through us. Every pledge; every gift of time, talent, or treasure; every act of service builds up this beloved community and empowers our shared mission to shine the light and love of Christ in the world.

Our congregation has approved a pledge goal of **\$234,000** which, along with other income, will help to support our total budget of **\$408,700**. This will allow us to continue expanding our ministries and to sustain our growing community. I invite you to prayerfully consider your “one thing” and make a financial pledge for the coming year if you are able.

You can pledge online through the “Give” tab on our website or by returning the enclosed pledge card to one of the boxes in the church building. **We will dedicate our pledges in worship together on Sunday, November 16th, celebrating all that God is doing in and through this community.** I’m so grateful for your love and commitment to our community of faith. May we each take one faithful step forward, trusting that God will continue the good work begun in us.

With deep gratitude,

Rev. Dr. Art Wright
